

## Opt Out Request Form

PeopleFinders.com values your privacy. Use this form to request that your records be blocked on PeopleFinders.com. PeopleFinders.com is only a distributor of public records—public records sources include various county, state, and federal agencies. Please note that we are only able to opt out the records that we operate. If your information is available on other web sites, you will need to contact those entities.

Please fill out the form below and mail it to the address below. This information will help us identify your specific records.
